GLAM FUCHSIA MINI TRUNK HANDBAG

\$2,860

DESCRIPTION

A charming and glamorous accessory, this refined mini trunk-style handbag will make a stylish and vivacious addition to any casual or formal outfit. Inspired by Paoli's traditional trunk, it rests on a plywood base and is entirely fashioned of soft, fuchsia-colored calf leather. Exquisite shiny details in gold-finished brass, notably in the plate and lock with key, enrich this clean and essential design. Large enough to hold a phone and a wallet, its interior is suede-lined and features an extra card holder pocket. This piece comes with a removable leather shoulder strap.
