GLO 2 TABLE LAMP

\$1,180

DESCRIPTION

Designed by Marina Maestri and Mattia Pelani with the intent of using an industrial element, originally an electrical insulator, in home decor, this table lamp has a strong visual impact and will make a statement in a modern interior. Part of the Glo Collection, it features a round base in iron finished with an ivory varnish and a stem in black-varnished resin characteristic for its uniquely ridged texture. The shade is a sphere in mouth-blown Murano glass in a vivid green color, supported by an ivory-varnished iron base. The wire is in ivory silk and the LED E27 4.5-5W bulb is included.
