GLO 3 TABLE LAMP

\$1,180

DESCRIPTION

Part of the Glo Collection, this striking table lamp was designed by Marina Maestri and Mattia Pelani. Its standout element is the stem, an industrial piece used as an electrical insulator and now converted into a unique home decor accent. Resting on an ivory-lacquered iron base, the stem showcases its vivid orange color and its resin body with deep ridges. Fixed on an iron support painted with ivory varnish, the lamp features a spherical lampshade of this piece, a mouth-blown transparent Murano glass with tobacco-brown hues. The silk wire is ivory-colored. The LED E27 4.5-5W lightbulb is included.
