GLO 6 TABLE LAMP

\$1,580

DESCRIPTION

A stunning addition to a contemporary or industrial home, this table lamp is elegant and refined in every detail. Its unique design by Marina Maestri and Mattia Pelani reconverted an electric insulator to make it the stem of this piece, creating a striking, three-dimensional decoration here in stunning black. It rests on a round brass base with horizontal grooves that mirrors the brass support of the shade, in mouth-blown Murano glass in a white, opaline hue. This exquisite lamp comes with a black-colored silk wire and LED E27 4.5-5W lightbulb.
