GLORIA D'ANGELI RUG BY ALESSANDRA BALDERESCHI

\$5,860

DESCRIPTION

This captivating rug designed by Alessandra Baldereschi is an artistic homage to 18th-century Venetian painter Giambattista Tiepolo, reinterpreting his "Gloria d'Angeli" with a modern twist. The undulating profile reflects the painting's original frame while the floating angelic figures and colors take on a modern style. Entirely hand-tufted in India using wool, this superb rug has a pile of 10mm-height and is customizable in other sizes on request.
