**GM2 OAK SIDEBOARD BY GIACOMO MOOR - POST DESIGN**

\$15,000

## DESCRIPTION

This well crafted oak beam storage unit by Giacomo Moor balances on an off center concrete support. The cabinet has three closed compartments. Two doors fold downward, and one folds upward, and an additional storage shelf has a white varnished interior. This item was produced and edited by the Milanese gallery Post Design which belongs to the historic brand Memphis. This is a numbered and limited edition of 9 signed by the artist. Attraverso Collection.
