TABLETOP : GLASSES & DRINKWARE : DRINKING GLASSES & TUMBLERS

Wave Murano Glass by Roberto Beltrami

GO.TO BLUE GLASSES

\$190

DESCRIPTION

In bright cobalt with tiny rainbow specks, this set of six glasses is inspired by the drinking glasses of Murano's glassblowers. Working in front of roaring furnaces, the artisans crafted their own personalized drinking glasses to express their style and to prevent others from using it. Accent a dining table with these six glasses, pieces of living Italian art.
