## *Wave Murano Glass by Roberto Beltrami*

### GO.TO SEA GREEN PITCHER

\$215

#### DESCRIPTION

To stay hydrated in front of roaring furnaces, Venetian glass masters would craft personalized drinking glasses of their own styling. Getting its name from the Venetian word for cup - goto - the GO.TO Sea Green Pitcher is a nod to this tradition, swirling tiny specks of color in a sea of green. No two pitchers are exactly alike.
