TABLETOP : GLASSES & DRINKWARE : DRINKING GLASSES & TUMBLERS

Wave Murano Glass by Roberto Beltrami

GO.TO WHITE GLASSES

\$190

DESCRIPTION

The goto was the traditional hand-blown drinking glass of Venetian masters. Each artisan would make his own, according to his personal style, and for his use alone. Inspired by this tradition are the GO.TO White Glasses featuring a swirling rainbow of tiny specks. Pair the set of six glasses with an all-white table for a truly unique experience.
