Greggio

GOCCIA CHAMPAGNE BUCKET

\$530

DESCRIPTION

The truncated, cone-shaped body of this elegant ice bucket is embellished with two helical handles that are both decorative and functional - a detail that endows contemporary style and futuristic flair to the piece. Masterfully crafted by skilled Greggio artisans, this piece, made of 6-micron silver-plated brass, will become the focal point of any bar and will be an appreciated wedding or housewarming gift.
