GOCCIA GOLD MIRROR

\$2,760

DESCRIPTION

Offering an eye-catching aesthetic in a modern foyer or living room, this accent wall mirror features a unique composition inspired by the flow and movement of water. Constructed with an ultra-white glass support (8 mm thick), the top layer of mirrored glass is hand-painted with enamel and completely gilded with pure gold metallic luster that glistens under natural and artificial lighting to brighten any interior. The two individual mirrors' fluid forms will become a stunning decorative wall piece wherever they are placed.
