Greggio

GOCCIA LOW CARAFE

\$575

DESCRIPTION

Crafted entirely of pure silver, this carafe is a stunning addition to a classic home, thanks to its sophisticated curves and noble material. Either alone, or accompanied by other items in the Greggio collections, this piece will imbue any occasion with charm and sophistication. Silver has been known since ancient times for its purifying properties when in contact with water, so this object of functional decor is not only eye-catching but also a precious companion to a healthy life.
