GOETHE VINTAGE CERAMIC PLATE

\$380

DESCRIPTION

A reproduction of J. W. Von Goethe from Tischbein's 1787 iconic painting "Goethe in the Roman Campagna" aptly decorates the ceramic flat plate dating to the mid-20th century. As all ceramics from Piatto Unico predate the 1970s, defects, wear, and tear are to be expected and add to the original value of the plate.
