GOLD 421 CARAFE

\$495

DESCRIPTION

This stunning carafe will be a superb addition to a dining room, where it can serve chilled drinks or water on a special dinner. It can be accompanied by the Gold 421 Set of 3 Stem Glasses for a complete set that will enrich any table. Its transparent glass curves are adorned with a simple texture of vertical lines at the bottom and are highlighted at the center with a ring in solid gold with a bottom in a gold floral motif.
