BROWN BOX WITH LID

\$1,690

DESCRIPTION

Versatile and sophisticated, this elegant box is a precious addition to any modern or contemporary home. Crafted of wood, its rectangular silhouette and lid are covered by hand with brown fine grain leather. Available in five different colors, this piece features a jewel-like handle at the top made of Plexiglas with a finish that resembles mother-of-pearl for a charming final effect. Either used in a powder room or bedroom, this piece will be eye-catching and refined.
