Giulia Barela

GOLD EYE EARRINGS

\$160

DESCRIPTION

Characterized by unconventional allure, this pair of earrings will infuse elegance into any jewelry collection. The piercing gaze of the serpent eye pendants is handcrafted by artist Giulia Barela using triangular forms that facet and crack to accentuate the long, central slit. The mysterious yet captivating nature of the piece is heightened by the exceptional 24kt gold plating over the bronze structure. This pair will be a well-received gift alongside the Eye Pendant necklace and ring from the same collection.
