## DESCRIPTION

Designed to wrap around the wrist in glistening shine, this cuff is handmade of brass with a 24k gold-plating and a hand-hammered texture masterfully executed by designer Madina Visconti, who created this piece using the ancient lost-wax casting technique. The open back with rounded ends, the airy silhouette that curves gracefully in a U-shape give exceptional versatility. A modern classic, this magnificent piece of jewelry makes a perfect gift that will be cherished for years thanks to its timeless style and sleek design.
