GOLD RIBBON RING

\$180

DESCRIPTION

Worn during a night out with friends, an elegant dinner or at a casual jazz club, this piece is sure to enliven any outfit. Entirely handcrafted of bronze with a 24kt gold plating using the lost wax technique, this edgy two-finger ring is formed by the delicately curved snake silhouette which loops to create two distinct yet connected ring bands. Worn with other delicate, single band stackable rings, the dainty head and tail will create an edgy, captivating ensemble.
