GOLDEN MIDNIGHT SIDEBOARD

\$17,160

DESCRIPTION

An exquisite example of bold design and traditional craftsmanship, this sideboard will enliven a living room, dining room, or entrance with its striking color combination and modern silhouette. The structure in oak was handcrafted and features a hand-painted black finish. The two side doors have glass panels, while the two central doors have a natural finish and are adorned with inlays that create a symmetrical decoration. The internal panels of the piece are painted in red with mirrored back. This stunning piece is available in different dimensions and materials - please ask the concierge.
