GOLIA BAR STOOL BY MAURIZIO PEREGALLI

\$680

DESCRIPTION

The combination of minimalist and industrial design with natural materials make the Golia barstool a splendid addition to any interior. Simple yet elegant, this piece boasts a cone-shaped steel tube frame (Ø 40 mm), epoxy-painted black with semi-opaque finish with four conical legs, and a bold padded seating with dark brown leather upholstery. The footrest is a cylindrical steel tube (Ø 12 mm) that highlights the slanted design of the legs. This versatile stool will look perfect on its own or combined with any other piece by Zeus. The leather is also available in black or white.
