GOODVIBRATION CONSOLE

\$6,290

DESCRIPTION

There is more than meets the eye in this superb console handcrafted of stainless steel with a streamlined silhouette that is perfectly suited for both modern and contemporary interiors. The bold rectangular legs are embellished with a stunning mosaic of silver mirrored glass tiles, cut and laid individually by hand in a meticulously detailed work performed by skilled artisans. Adding character to an entryway or living room, this console can be paired with any wall mirror by Davide Medri for a truly eye-catching look. Available also in gold and a smaller version (144 x 40 x H90 cm).
