GOTHAM LOW SIDE TABLE

\$430

DESCRIPTION

A celebration of elegant minimalism, this low side table is part of the Gotham collection and features a structure in steel painted with an elegant grey hue. The light silhouette is highlighted at the top with a shelf upholstered in blue cotton velvet that adds a luxurious accent to the piece. Designed by Federico Carandini in 2015, this table can be combined with its tall counterpart for a dynamic effect and displayed in a contemporary living room along with the other pieces of the same series. The velvet top can be upholstered in other colors upon request.
