## GRACE NIGHTSTAND

\$28,560

---

### DESCRIPTION

This striking nightstand is a chic addition to a modern bedroom. The piece features two push-pull drawers in solid ash and a structure and side panels in 30-mm lacquered blockboard that guarantees structural strength, entirely resting on a steel plinth base. The front of the top drawer is covered in eco-leather, while the bottom has a distinctive grooved surface and a matte “zero gloss” effect. The wood is available in other colors and the satin finish on the steel can be substituted with a burnished finish, please ask the Concierge for details.
