GRAFISMI BLACK AND WHITE SERVICE PLATES #11

\$190

DESCRIPTION

A striking expression of originality, this bold plate embodies minimalist elegance and dynamic simplicity. Crafted of white porcelain using traditional hand-making techniques, the plate is adorned with a black, geometric design along the edge, the alternating long-short pattern creating the illusion of movement with its beaming rays. Gifted to a loved one in a set with others from the Grafismi series, these plates will be a statement in any decor. The plate measures 31 cm.
