GRAY CADDY TRAY

\$500

DESCRIPTION

Ensuring optimum stability, this thick wooden tray with rounded corners is the perfect choice to serve aperitif snacks on elegant boats. The warm tone of the wooden top, featuring a fissure for napkins and three round holes for the steel bowls, contrasts with the gray hues of the prized leather details and the rope embracing the tray's central section and elongated handle. This exclusive piece is available in other color options, please ask the Concierge for details.
