GRAY STEEL BUTTER DISH

\$210

DESCRIPTION

Polished on the outside with a classic domed cover, this elegant butter dish offers a stylish way to serve butter on any occasion. Elegant enough to be set out for parties and formal gatherings, it is also extremely functional for everyday use. Crafted of stainless steel, it features a wide, shallow oval plate and a dome-shaped lid embellished with a gray rope around the border. Butter will be safely and stylishly stored when not in use and easy to access whenever needed.
