GREAT ROUND VASE

\$240

DESCRIPTION

UnconVASE is a collection of vases that can be used for flowers or simply just for home interiors. Great round vase belongs to this collection of handmade vases made in pottery and proudly made in Italy. Every single pot is a new story, a new adventure through which the artisan comes in contact with the very heart of the material, to get its unlimited possibilities. And every single vase is the result of a continuous search for details and poetic shapes, always respecting history and expertise.
