GREEN AND SILVER PLUMAGE VASE WITH 24K GOLD

\$325

DESCRIPTION

This magnificent vase is made in ceramic with artisanal methods and entirely hand-painted so that the ceramic feathers that adorn its surface are graced with green and metal hues for a striking effect. The enamels are complemented by the matte white of the interior of the piece and by the luxurious 24k gold finish of the plinth base. This exquisite object is ideal to brighten up a modern interior with sophistication and warm colors.
