GREEN BENCH BY SOVRAPPENSIERO

\$20,935

DESCRIPTION

The architecture of the bench highlights the idea of surface and plates, basic elements of the metal working. The grid, the result of 30 hours of machining, increases the perception of surfaces in space and the perspective effect. The weight of the steel is contrasted by the shape of the bench, which seems to be balanced on a single line of support.

DETAILS & DIMENSIONS

- Material: Steel
- Dimensions (in): W 68.90 x D 13.78 x H 17.72
- Dimensions (cm): W 175 x D 35 x H 45
- Handmade In Italy
