GREEN BUGNATO SET OF FLASK HIGH GLASS AND LOW GLASS BY IL VETRO DI EMPOLI

\$230

DESCRIPTION

This stunning set is handcrafted of mouth-blown green glass in the distinctive "Verde Empoli" color and includes a flask, one high glass, and one low glass. A testament to the craftsmanship and timeless quality of Empoli's glassmaking tradition, the flask is inspired by the pot-shaped containers used specifically for the wine produced in that area of Tuscany. The sinuous depressions on the surface are made by hand with the bugnato technique making each piece truly unique. A captivating fusion of tradition and modern sensibility, this set will bring elegance and sophistication to any table.
