GREEN LEAF TABLE LAMP

\$2,355

DESCRIPTION

Inspired by the elegance of nature, the elongated body of this superb table lamp is handcrafted of the finest crystal boasting a refined emerald green color and a delicate hand-etched leaf pattern. Providing a contrasting detail, the round base and conical lampholder have a polished nickel finish that enhances its modern allure. The tall cylindrical shade is made of PVC-lined ivory fabric, diffusing ambient illumination from a single E27 LED light bulb.
