GREEN MARBLE CHEESE PLATE

\$125

DESCRIPTION

Minimalist and sophisticated this cheese plate was crafted of green marble. The elegant color of the precious stone and its delicate white veins lend a one-of-a-kind decorative quality to any interior, creating an elegant backdrop for serving food, displaying collectibles, or simply adding a textural and colorful accent to any room in the house. Its weight is 1.85 kg and can be combined with the other round plate in different colors.
