GREEN SHAPES CHAIR

\$4,080

DESCRIPTION

Sculpture and design combine in this unique chair, revealing a visually engaging and elegant piece. The sinuous back, handcrafted of fir wood and finished by hand with water green paint, elevates vertically providing a sense of lightness to the sculptural silhouette raised on black powder-coated, hand-forged steel legs. The wengè wood seat is shaped by hand to offer maximum comfort. Fire-branded signature and certificate of authenticity included. Ask the Concierge about available customization of colors and materials, which requires 30 to 40 days from order placement.
