GREEN SIDE TABLE

\$5,140

DESCRIPTION

A stunning addition to a modern or eclectic decor, this unique solid wood side table is elegant and versatile, providing two levels of storage and display for small everyday items or collectibles. Either in a living room or entryway, or as colorful nightstand, this piece will enliven a room with its exquisite, hand-painted decor over the vivid green background. The top is decorated with a chinoiserie motif, which occurs also in the carved sides of the bottom tray.
