GREEN VELVET CUSHION COVER WITH BLUE RUFFLE

\$260

DESCRIPTION

Boasting an explosion of colors in a glamorous design, this cushion cover reveals a stylish personality and an exceptional tailored quality resulting from an entirely artisan sewing process. The musk-green chosen for the soft velvet cover stands in sharp contrast with the bright blue of the cotton ruffle that extends along its borders. Purchase of 5cm-bigger fills pads is suggested for an effect of full plump.
