GREY AGATE SLICE SCULPTURE

\$8,110

DESCRIPTION

An extraordinary large agate slice constitute the focal point of this sculpture, resting on a base of glass and lustrous nickel-plated brass. This spectacular stone is tied to relaxation, tranquility, inner cleansing. Its energy creates a balance between Yin and Yang. The agate is produced in the cavities of volcanic rock in Mexico and Brazil and generally has various shades of colors running through it. The size of the base can be customized based on the client's request.
