LIGHTING : TABLE LAMPS

Il Paralume Marina

GREY TABLE LAMP

\$1,930

DESCRIPTION

A precious addition to a contemporary decor, this table lamp can be paired alongside an identical one flanking a mirror in an entryway or used to add extra light to a living room or private study. The structure was crafted entirely of 24 lead Italian crystal with a tinted-grey finish. The interplay of the transparent and sinuous element of the base with the lampshade in solid grey linen on PVC creates a stunningly light effect that will enliven any room in the house.
