## GREYHOUND SHOEHORN WITH NICKEL FINISH

\$80

### DESCRIPTION

The elegant head of a greyhound, with its elongated profile, is rendered in all its detail as the handle of this elegant shoehorn. The head of the dog is made in ABS with a nickel finish and adorns the body of the piece in brown beechwood. The paddle is in acetate and reproduces the pattern of the tortoise shell, while the metal details are in brass with a nickel finish. This sophisticated accessory will be a practical and charming addition to any home, and can make for a sophisticated gift.
