**GRIFO CABINET**

\$36,600

## DESCRIPTION

This eye-catching hanging wall cabinet was introduced at Milan Design Week 2019. Its striking and colorful front evokes the legendary figure of the proud warrior Grifo who fell in love with a beautiful princess and is believed to have founded the city of Messina in Sicily. The brightly colored and eclectic piece is crafted of aluminum and features a mirror. It will be a masterpiece to add in any room in the house and it can be paired with the Mata Cabinet. Made to order, please contact the Concierge.
