GROOVE BRACELET IN BROWN GOLD

\$480

DESCRIPTION

Unique and sophisticated, this one-of-a-kind bracelet is part of the Groove collection and will make a statement when combined with an edgy attire or with a more traditional, elegant look. Its modern design contrasts with the traditional hand-craftsmanship methods used by Florentine artisan to make its flexible and shimmering fabric-like body. Weaving beige silk strands with 925 silver with 18k chocolate gold plating, the chain is elegant and timeless and closes with a barrel-style fastener of the same precious metal and elegant finish.
