GROOVE BRACELET IN PINK GOLD

\$480

DESCRIPTION

Part of the Groove collection of sophisticated and bold pieces, this bracelet is a stunning example of traditional craftsmanship combined with modern design. Its flexible and shimmering body was made by the expert hands of Florentine artisans by weaving in 925 silver with 18k pink gold plating with dark green-blue silk. The effect is refined and unique, while the fastener in 925 silver with 18k pink gold plating screws open to insert charms. This bracelet is also available in a smaller size of 16 cm in length.
