### GROTESQUE SCULPTURE

\$6,100

#### DESCRIPTION

The unique design of this sculpture is made using the molding technique. It features a bird holding a marble in its beak in glossy black finish. The hand-painted details in gold are of Indian inspiration. The piece is supported by a base with a glossy black finish. The original details and the exquisite craftsmanship make this an outstanding decorative display piece that will complement an entryway or a contemporary living room.
