## GUARDI 12 LIGHT CHANDELIER

\$2,790

### DESCRIPTION

This piece is true perfection brought right into the home. This two-level chandelier is entirely hand-crafted in ceramic in an average size making it suitable for any size room, big or small. Eight arms extend sinuously outward from the bottom level while four extend outward from the top level, each one bearing a light, elegantly illuminating its environment. This piece features a sophisticated polished opaque white glaze and is also available in other rich glaze colors like matte white, black, platinum, gold, blue and red. This piece is also available in a nine light version.
