GUASTAVINO VASE

\$315

DESCRIPTION

Entirely hand-made and part of a limited and numbered edition supplied with its authenticity certificate, this cylindrical vase pays homage to the popular vaults projected by architect Guastavino in New York. Their characteristic braided pattern and cream shade is the distinguishing feature of the vase, obtained by deftly intertwining stoneware bands, for a final texture channeling a delightful visual and tactile appeal. Other sizes and colors are available upon request to the Concierge.
