GUGIA POWDER BLUE FLOOR LAMP BY ISACCO BRIOSCHI

\$1,950

DESCRIPTION

This sculptural, handmade masterpiece was designed by Isacco Brioschi and inspired by tailoring accessories (its name is the Milanese word for needle.) The tripod structure of this floor lamp is in white steel, supporting an aluminum powder blue and white shade colored with epoxy powders and finished with a UV rays treatment. The direct light comes from an E27 LED bulb with 800lm flow and chromatic performance 1B. The supply is 230V 50Hz. Insulation class: CLI, protection class: IP20, glow wire 650°. The gray finish can be changed with available colors by contacting the Concierge.
