**GUINEA WALL LAMP - PINK**

\$1,835

## DESCRIPTION

This intriguing object of functional decor was designed exclusively for Artemest's Fuorisalone 2018 event "Stranger Pinks" during Milan Design Week. The round shape of the shade comprises multiple layers of pleated organza that create a stunning iridescent ambiance. It is supported by brass brackets connected to a brass disc attached to the wall. The light bounces off the metal and is diffused by the fabric fan, enriching both a modern and classic interior.
