## GUSTAV CHAIR BY GORDON GUILLAUMIER

\$645

### DESCRIPTION

Designed by Gordon Guillaumier in 2014, this stunningly simple chair boasts Thonet's trademark steam-bent beechwood, distinctive of the brand since its inception. The structure, with its round section, is made up of two lines that create the back legs and one single line that curves to make the two front legs and the back. This superb piece will add charm and timeless sophistication to any room in the house.
