## DESCRIPTION

Combining cut pieces of marble in a cylindrical shape with a tapered base, this exquisite vase showcases the range of colors, veining and natural features of white Carrara marble, basalt, rainbow and green onyx in a geometric pattern of stripes and checkerboards. Coltri's expertise and technique give life to the Hacker Collection, designed by DWA Studio and curated by Paolo De Vivo, introduced at the 2019 Milan Design Week which features one-of-a-kind pieces of timeless sophistication.
