HALF MOON BOWL IN VERSILIA MARBLE

\$290

DESCRIPTION

Designed by Elisa Ossino as part of a collection entitled Lunar Landscape and dedicated to a sophisticated minimalism influenced by Bauhaus modernism, this bowl is a superb addition to a contemporary or industrial home, where it can be a stunning serving piece during a party or a unique vide poche in a modern entryway. Its cubic base of Versilila marble supports a semi-spherical bowl of mouth-blown transparent glass.
