HAMPTONS WOOD NIGHTSTAND BY GIANNELLA VENTURA

\$7,295

## DESCRIPTION

Elegant and restrained lines characterize this wooden variant of the Hamptons nightstand. Two sloped, sturdy legs support the structure that includes two drawers, whose front side is framed by a thin brass-finished metal band. The same finish is shared by the dainty handles of the drawers (a one-drawer version is also available upon request). Several finishing and painting options are can be requested, please ask the Concierge for details.
